Reviewer’s report

Title: Fatal cases associated with eating chapatti contaminated with organophosphate in Tororo District, Eastern Uganda, 2015: Case Series

Version: 2 Date: 22 Apr 2019

Reviewer: Erik Jørs

Reviewer's report:

Dear Authors!

Thank you for a well written article on fatal cases of pesticide poisoning in Uganda. I have a few suggestions for improving the article:

Line 94-96 Discretionary revision: Please provide references to these studies.

Line 183-87 Discretionary revision: Be aware of several other studies published on 'accidental food poisonings by pesticides' that would be valuable to include in your article e.g. doi: 10.2478/10004-1254-63-2012-2158, doi: 10.1007/s00204-013-1113-6, doi: 10.2478/10004-1254-63-2012-2158, DOI: 10.1179/107735203800328821 among others.

I can recommend the article to be published!

Best regards

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.
Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
