Reviewer’s report

Title: Developing a coordinated Canadian post-secondary surveillance system: A Delphi Survey to identify measurement priorities for the Canadian Campus Wellbeing Survey (CCWS)

Version: 1 Date: 10 Jun 2019

Reviewer: Bridgette Bewick

Reviewer's report:

Thank you to the authors for their careful and considered response to the reviewer comments. The structure and clarity of meaning is much improved. The article now holds a clear narrative and purpose. The methods now clearly described. The discussion and conclusion fair and balanced.

Congratulations on crafting the manuscript into a piece that speaks directly to the current wellbeing priorities and agendas for post-secondary education. I look forward to seeing the article 'in print'.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
