Reviewer’s report

Title: Relationship between daily physical activity and aerobic fitness in adults with cystic fibrosis

Version: 2 Date: 10 February 2015

Reviewer: Bradley Quon

Reviewer’s report:

Major Revisions:
These have been adequately addressed by the authors.

Discretionary Revisions:
The authors may consider rewording the discussion of the sample size calculation as well. Specifically the phrases "total 36 subject" (total OF 36 subjects?) and "estimation of the calculation" (remove "estimation of"?)

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
