Reviewer’s report

Title: Y-27632 is associated with corticosteroid-potentiated control of pulmonary remodeling and inflammation in guinea pigs with chronic allergic inflammation

Version: 2 Date: 9 April 2015

Reviewer: Richard Kim

Reviewer’s report:

Major Compulsory Revisions
- The authors have addressed all previously raised points sufficiently well

Minor Essential Revisions
1) Typographical errors
   - “INF-#” should be IFN-# (page 28)
   - Consider changing the legend title for Figure 4 from “Figure 4A, 4B, 4C and 4D” to “Figure 4” to maintain consistency (page 36)

Discretionary Revisions
- The authors have addressed all previously raised points sufficiently well

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
