Reviewer’s report

Title: EFFECTIVENESS OF PULMONARY REHABILITATION IN PATIENTS WITH INTERSTITIAL LUNG DISEASE OF DIFFERENT ETIOLOGY: A MULTICENTER PROSPECTIVE STUDY

Version: 0 Date: 25 Apr 2017

Reviewer: Maroula Vasilopoulou

Reviewer's report:

The research article by Tonelli et al. aimed to confirm the efficacy of rehabilitation in a population of patients with ILDs and to investigate whether baseline exercise capacity, disease severity or ILD etiology might affect outcomes. The manuscript is well written. Please find my major and minor considerations that need to be attended by the authors as indicated below.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

No

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

No

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:
1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
