Reviewer’s report

Title: Successful Transition from Treprostinil to Selexipag in Patient with Severe Pulmonary Arterial Hypertension

Version: 0 Date: 29 May 2017

Reviewer: Tidi Hassan

Reviewer's report:

With the recent updates in pulmonary hypertension, this practice to change to oral IP receptor will take off.

Major comments

1. To add value to the manuscript, the authors should discuss the advantages and disadvantages of conventional agent in the prostacyclin pathway with selexipag

2. In the case report, the absolute indices should be disclosed ie RHC and 6MWT

3. Authors should emphasize the current literature for both selexipag and triple therapy in this patient

4. Extensive English editing preferably by a native English speaker is needed

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Unable to assess

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review? If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript

Quality of written English
Please indicate the quality of language in the manuscript:

Not suitable for publication unless extensively edited

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

No competing interest
