Reviewer's report

**Title:** How much do rheumatologists and orthopaedists doctor's modalities impact the cost of arthritis in Cyprus?

**Version:** 6  
**Date:** 10 June 2015  
**Reviewer:** Raymond Oppong

**Reviewer's report:**

The paper has now been improved and I think the authors have responded well to the points that I raised.

I would suggest that the authors add a reference to the paragraph that describes the health system in Cyprus and that the limitation section should be moved from the conclusion to the discussion section.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
