Reviewer’s report

Title: A systematic review and meta-analysis regarding the use of corticosteroids in Septic Arthritis

Version: 1 Date: 17 August 2015

Reviewer: Liora Harel

Reviewer’s report:

There are very few studies addressing the issue of adding corticosteroids to antibiotic treatment in septic arthritis.

The review is comprehensive and underlines the importance of the topic.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
