Reviewer’s report

Title: A Potential Risk Factor of Total Knee Arthroplasty: An Infected Baker’s Cyst – A Case Report

Version: 1 Date: 04 Feb 2020

Reviewer: Jong-Hun Ji

Reviewer's report:

In the manuscript, new line number was made in each page. This line number makes it's review was too difficult. This line number was made consecutively.

We believe that the English of the paper is sometimes and that it would benefit from an extensive grammar review. Some grammar needs editing throughout the manuscript.

Also, in the background, it is too short and mentions more correlated literatures

Page 1. Title is "Total Knee Replacement Arthroplasty". Wd you change this title? Total Knee Arthroplasty is correct.

Page 4. Line 10. There was no exact explanation of the shift from arthroscopy to the open excision. Why don't you try arthroscopic irrigation or synovectomy? For example, the infection was severe and pus was found in the arthroscopic procedure. Or severe arthritis made the arthroscopic surgeon to insert trochar in the posterior compartment of the kness joint. You should describe the detailed explanation of these procedure.

Line 21. In this sentence, the most important finding of this paper should be described. This sentence should be moved to the next paragraph.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes
Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
