Reviewer’s report

Title: Safety of bioabsorbable implants in vitro

Version: 0 Date: 22 Sep 2015

Reviewer: Javier Gil

Reviewer’s report:

In my opinion, the manuscript has three aspects which must be incorporated in the text:

1. Study of the degradation of mechanical properties with the implanted time.
2. Comparison of these results with others authors and biodegradable materials.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
