Reviewer’s report

Title: Lumber Spine Epidural Abscess and Facet Joint Septic Arthritis due to Streptococcus agalactiae: A case report

Version: 0 Date: 28 Jan 2018

Reviewer: Yogesh Kumar

Reviewer's report:

Thank you for submitting a nice manuscript. Please see my comments below:

1. Please check for basic grammatical mistakes about using punctuations.

2. I would strongly recommend adding few lines in discussion about the role of imaging in spine infections. There is a very nice recent article about this topic. I would strongly recommend adding it in the references for readers interested in further reading. Please see the article below:

3. In Figure 6: The cauda equina nerve roots are posteriorly displaced. Did the patient has post operative arachnoiditis? Please explain.
**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

Yes

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

Yes

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
