Reviewer's report:

Review of Emergency inguinal hernioplasties in a Tertiary Public Hospital in Athens Greece, during the Economic Crisis.

Title of the manuscript: is ok

- There is need correction of English writing, spelling and grammar.
  Key terms of the abstract repeated two times word of inguinal not needed.

- What do you mean younger age and you are talking about old age 67 years and 71 year.

- Need clarification language postoperative time and length of hospital stay

- Need to give names each tables in the results, in the manuscripts so reader can understand. I mean table 1 talking about demographic data etc.

- I was expecting to talk about hospital fee or cost and you were not talked about it.

Otherwise need more corrections.

Thank you
