Title: Dual Graft Living Donor Liver Transplantation - A Case Report

Version: 1 Date: 27 Apr 2019

Reviewer: Paolo Magistri

Reviewer's report:

Authors reported a case of dual living donation for liver transplantation. It is a very interesting case, a didactic and detailed description of the decision-making process has been reported, along with a precise discussion on relevant issues on the topic, including the ethical implications.

At this time the paper would benefit from an extensive English revision and more detailed intraoperative pictures.
