Reviewer's report

Title: Treatment of genital lesions with diode laser vaporization

Version: 1 Date: 29 January 2015

Reviewer: Giacomo Maria Pirola

Reviewer's report:

Major Revisions

The technique is presented but not compared to classic conventional therapies. Even so, the work is interesting, analyzing a cohort of patients treated by Diode laser.

Minor revisions

Vocabulary should somewhere be revised

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
