Title: Extravascular Stent Management Migration of Left Renal Vein Endovascular Stenting for Nutcracker Syndrome

Version: 2 Date: 10 May 2015

Reviewer: Mehmet Ruhi Onur

Reviewer’s report:

Comments on manuscript
1. Title: The title should be changed. It may be changed as: ‘Extravascular Stent Management for Migration of Left Renal Vein Endovascular Stent in Nutcracker Syndrome’
2. Abstract:
   a. Background: In this section, it would be better to mention about the possibility of complication in stenting renal vein in nutcracker syndrome.
   b. Case presentation: Why stenting was applied in this patient? What was the diagnosis? Please state in this section.
   c. Conclusion: OK
   Keywords: ‘Extravascular stenting’ may be added to keywords.
3. Background: Appropriate
4. Case report: Appropriate
5. Discussion: Diagnostic criteria of nutcracker syndrome should be mentioned in discussion section. For example Doppler US criteria in the diagnosis of nutcracker syndrome may be mentioned.

Level of interest: An article of importance in its field

Quality of written English: Acceptable
