Reviewer’s report

Title: High acceptability of a newly developed urological practical skills training program

Version: 3 Date: 9 July 2015

Reviewer: Michael Bajka

Reviewer’s report:

I am impressed by how much this manuscript has improved since its submission. The authors have answered reviewers’ questions comprehensively and respected commentaries adequately. In my opinion the quality has now reached a level which makes it suitable for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
