Reviewer’s report

Title: Efficacy of commercialised extracorporeal shock wave lithotripsy service: a review of 589 renal stones

Version: 0 Date: 21 May 2017

Reviewer: Filippo Maria Turri

Reviewer’s report:

pag 4 line 44 procedures WERE…

pag 6 line 7 clarify, not comprehensible. Never begin with a number; line 11 account FOR such; line 12 efficacy IS; line 30 stones FOUND and many more linguistic imprecisions in the discussion part. Please review it.

Check references for being correct. Ie: reference 2 one name is spelled wrongly (Danuser not Danusser).

Beside these minimal changes, the study seems interesting since it sheds some lights on the peculiar aspect of mobile ESWL, even if it does not add anything significant to the already existing body of literature.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
