Title: Pattern of skin diseases in children attending a dermatology clinic in a referral hospital in Wolaita Sodo, southern Ethiopia

Version: 0 Date: 07 Jan 2019

Reviewer: Uwe Wollina

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors. This is a large retrospective analysis on pediatric dermatologic disorders in Ethiopia. Since larger collections of data have not been published before for this region, the work is of interest. Please comment on the way patients were referred to the medical center. Have follow-ups been possible. for infectious diseases: Was an identification of pathogens possible? If the answer is yes, please add the information. Please adapt the style of references to the journal.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
Quality of written English
Please indicate the quality of language in the manuscript:
