Reviewer's report

Title: Subclinical and clinical hypothyroidism and non-alcoholic fatty liver disease: A cross-sectional study of a random population sample aged 18 to 65 years

Version: 2
Date: 6 June 2015
Reviewer: Michiharu Komatsu

Reviewer's report:

In this article, the authors reported a possible relationship between hypothyroidism and NAFLD in the general population.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
