Title: MEETING INDIVIDUALIZED GLYCEMIC TARGETS IN PRIMARY CARE PATIENTS WITH TYPE 2 DIABETES IN SPAIN

Version: 0 Date: 08 Dec 2015

Reviewer: Musarrat Riaz

Reviewer’s report:

The article titled "Meeting individualized Glycemic targets in primary care patients with type 2 diabetes in spain" addresses an important topic. The authors have performed a cross sectional analysis with 5,382 type 2 diabetes analyzing 3 different strategies to achieve glycemic targets.

BACKGROUND: is well written.

METHODOLOGY: The authors have assigned patients in three groups with totally different strategies. On what basis these patients were assigned in these groups. please specify. How was hypoglycemia assessed and how was it classified as high or low risk.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published
Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
