Title: Communication with young people in paediatric and adult endocrine consultations: an intervention development and feasibility study

Version: 1 Date: 18 May 2017

Reviewer: Timothy Skinner

Reviewer's report:

Whilst I think more information should be given on the tools being used to assess interactions, and not just refer people to the original sources, it is not a major issue.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

No

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
