Reviewer’s report

Title: Community based study to assess the prevalence of diabetic foot syndrome and associated risk factors among people with diabetes mellitus.

Version: 1 Date: 18 May 2018

Reviewer: Pavlina Andreeva-Gateva

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

Authors answered correctly to the Reviewers'remarks. However some answers which were given to the remarks, were not implemented into the text. Please, incorporate the following answers in the manuscript:

1. Answer #4 and #6 to the Reviewer 1.
2. Answer #5 to the Reviewer 2.

Are the methods appropriate and well described?

If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

*Are the conclusions drawn adequately supported by the data shown?*

If not, please explain in your comments to the authors.

Yes

*Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?*

If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**

Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
