Reviewer’s report

Title: Exploring how patients understand and assess their diabetes control

Version: 1 Date: 07 Oct 2018

Reviewer: Pavlina Andreeva-Gateva

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

This manuscript is a revised version of the previously submitted paper describing a qualitative study on the understanding and assessing of the diabetes control. Authors answered correctly to all reviewer's remarks.

Comment:

1. What was the price of the gift card? Or for what service?

2. Table 1- in the last column there is overlapping shiffres. Corrections are needed.

3. GED - please explain this abbreviation

4. The "multiple'race - please indicated the exact races of those three subjects.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
