Title: Impact of technology-based interventions for children and young people with type 1 diabetes on key diabetes self-management behaviours and prerequisites: A systematic review

Version: 1  Date: 02 Oct 2018

Reviewer: Kimberly A Driscoll

Reviewer:

I do not think the justification for including CGM is appropriate. If CGMs are to be included then why not pumps?

In addition, the text is inaccurate. The G5 and G6 do not make automatic adjustments.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Unable to assess

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
