Reviewer's report

Title: Effect of microsilver and nanosilver particle addition to the primer of an orthodontic adhesive on Enamel Shear Bond Strength (SBS)

Version: 1 Date: 29 August 2014

Reviewer: Ali Borzabadi-Farahani

Reviewer's report:

Paper needs significant revision in style and grammar, there are other issues I have highlighted in the attachment

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
