Reviewer's report

Title: Candida spp. and gingivitis in children with nephrotic syndrome or type 1 diabetes

Version: 2 Date: 31 December 2014

Reviewer: Luciana Pomarico

Reviewer's report:

The topic is interesting and overall the article is well written. However, needs minor modifications.

1. Explain what was the sample selection criteria
2. Figures 1 and 2 are unnecessary. It could be removed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
