Reviewer’s report

Title: Cross-cultural adaptation and validation of the Child Perceptions Questionnaire (CPQ11-14) among children in Lebanon

Version: 1 Date: 08 Oct 2017

Reviewer: Ankur Singh

Reviewer’s report:

The authors have appropriately addressed the concerns raised in the previous version of the manuscript. Discussion section has markedly improved and is specific to the overall purpose of the study. Language editing will improve the overall readability of the manuscript. As an example:

Page 4, Line 95-96: "In addition, the cultural setting of Arabic countries is Arab and society is deeply conservative and traditional."

What does 'cultural setting of Arabic countries is Arab' means?

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:
Declaration of competing interests

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
