Reviewer’s report

Title: Clinical and radiographic evaluation of Biodentine versus Calcium hydroxide in primary teeth pulpotomies: a retrospective study

Version: 1  Date: 02 Apr 2017

Reviewer: David Manton

Reviewer's report:

Thank you for your submission on this interesting topic

Unfortunately due to the poor quality of written English i am limited in comments provided

I suggest you recruit a native English speaker to review the paper as it needs extensive revision

The terminology 'decay' is not appropriate - dental caries, carious lesion are appropriate

Use 'primary' rather than deciduous

When mentioning commercial products, provide the manufacturers details the first time only

Which software program was used for analysis?

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

No

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
Quality of written English
Please indicate the quality of language in the manuscript:

Not suitable for publication unless extensively edited

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interest
