Reviewer’s report

Title: Salivary characteristics and dental caries experience in remote Indigenous children in Australia: A cross-sectional study.

Version: 1 Date: 12 Jun 2018

Reviewer: Augusto Elias-Boneta

Reviewer's report:

Overall Comment:
As author of manuscripts in your prestigious journal, I believe that this article does not meet the quality standards requirements of the journal; therefore, I do not recommend this article for publication. The authors did not fully address the issues raised in the first review.

Specific Comments:
The authors did not follow the STROBE guidelines that were recommended. The discussion and the conclusion are not aligned with the objective of the study. The presentation is disorganized. The authors did not discuss the strengths and limitations of the study.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

No

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

No

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
