Reviewer’s report

Title: Hidden intra-mandibular carcinoma cuniculatum appearing in a patient with metastatic prostate cancer: A case report

Version: 0 Date: 31 Jan 2019

Reviewer: Esam Al-Moraissi

Reviewer’s report:

Title: ok

Abstract

Background and objective:

Authors should clearly aim of study

Case presentation

Details such as site of tooth extraction, which tooth, quadrant, anterior or posterior, upper or lower?

Authors should mention total of treatment and follow up time

Authors should mention type of treatments they applied in this case

Conclusion

Not supported by this case report

Introduction

Should define the term intraosseous carcinoma cuniculatum

Authors should state about incidence of metastatic tumor to the jaws

Authors should mention time between initial and treatment prostate cancer and mandibular lesions

Authors have to clarify meaning of castration-resistant metastatic prostate carcinoma
Authors should supply with a good quality photo for intraoperative procedures

After they did Hemi-mandibulectomy, have they performed reconstruction for that defect?

Discussion

Should support this case report with literature review including all cases have been reported in peer reviewed literature

**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

No

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

No

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

No

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
