Reviewer’s report

Title: Impact of place of residence on place of death in Wales: An observational study

Version: 1 Date: 15 Aug 2017

Reviewer: Karen Forbes

Reviewer's report:

This is now a much better submission. It still needs some attention to language - all the principals have now been changed to principles - in some cases incorrectly, and some sentences would read better with a 'the' at the beginning of them - but this should be sorted at the proofing stage.
