Reviewer’s report

Title: Action research study on advance care planning for residents and their families in the long term care facility

Version: 0 Date: 21 Aug 2019

Reviewer: Pamela Hawranik

Reviewer's report:

An excellent manuscript. The methodology used was very appropriate. The particular cultural understanding and approach was very suitable for the topic. The discussion aligned with the study results. The manuscript was well written, logical, and well organized. The quotes included in the manuscript were profound and illustrated the appropriate use of the interview questions.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
