Title: Trauma to Transformation: The Lived Experience of Bereaved Parents of Children with Chronic Life-Threatening Illnesses in Singapore

Version: 2 Date: 08 Mar 2020

Reviewer: Bruce Rumbold

Reviewer's report:

I have read the revised manuscript and am satisfied that the authors have taken into account the issues raised in my original review. The clarifications they have made in revising the discussion section now situate their findings in the international literature with greater clarity. In doing this, they have also raised several specific issues that merit further research.
