Reviewer’s report

Title: Menstrual Characteristics, Disorders And Associated Risk Factors Among Female International Students In Zhejiang Province, China: A cross-sectional survey.

Version: 1 Date: 18 Sep 2017

Reviewer: DG Dambhare

Reviewer's report:

-Good journal article which study the menstrual characteristics, Disorders and associated risk factors among female international students In Zhejiang Province, China.

Comment:

1) There is english grammar error, for example before and after China. which needs to be corrected
   - Participants were required to provide answers to a semi-structured questionnaire on their menstrual history before and after China.

2) The median BMI should not be 3. There might be typographical error during type writing, check it and correct it.

OR just provide your results for mean (±SD) BMI for the population. ----------for example.---

Results:

- The median (±SD) BMI for the population was 3 ± 0.775 kg/m2.

Are the methods appropriate and well described?

If not, please specify what is required in your comments to the authors.

Yes
