Reviewer’s report

Title: Psychosocial factors that mediate the association between mode of birth and maternal postnatal adjustment: findings from a population-based survey

Version: 0 Date: 11 Nov 2018

Reviewer: Zohreh Sadat

Reviewer's report:

Dear authors

In this article, one of the important issues in reproductive health is highlighted. However, some modifications are required as follows.

Please write the standardized coefficient of the model paths in the figure

Please enter the name of the software used for statistical analysis and Path model

In the titles of Tables 2 and 3, please add the word univariate and multivariate analysis, respectively

Please write the fit indices for structural equation modelling

One of the articles that relates to your work is written below. In the introduction you can use the results of its.

With best regards

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests'.
