Reviewer’s report

Title: Current patient perspectives of vulvovaginal candidiasis: incidence, symptoms, management and post-treatment outcomes

Version: 0 Date: 07 Aug 2018

Reviewer: Shangrong Fan

Reviewer’s report:

1. The study subjects were wary (from who sought gynecologic care in university-affiliated Obstetrics and Gynecology clinics at the time of visit with a health care provider to via group encounters such as meetings, classes, community activities).

2. The diagnosis of VVC was not accurate.

3. Clinical features of VVC symptomatology and risk factors associated with disease and cure rates following treatment will not accurate.

4. A smaller study sample.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

No

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:
Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I have not in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future.

I do not hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future.

I do not hold or are you currently applying for any patents relating to the content of the manuscript.

I have received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript.

I have not any other financial competing interests.

I do not have any non-financial competing interests in relation to this paper.
