Reviewer’s report

Title: Contributing Factors to Unsafe Abortion Practices among Women of Reproductive Age at Selected District Hospitals in the Ashanti Region of Ghana.

Version: 0 Date: 27 Mar 2019

Reviewer: Sam Rowlands

Reviewer's report:

The manuscript for this paper has been radically rewritten. It is now much improved but rather wordy.

Reference 2 is not up-to-date: the most recent data is in Ganatra et al Lancet 2017.

One sentence stands out as not accurate. It is both in the Abstract (page 2 lines 33/34) and in the Conclusion (page 20 lines 30/31). Aunty Jane, Ms Rose and Women Help Women programmes are not ‘global policies’.

Could Figures 4, 5 and 6 be amalgamated?

Are the methods appropriate and well described?  
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?  
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?  
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?  
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

No competing interests.
