Reviewer’s report

**Title:** Anti-emetic mechanisms of Zingiber officinale against cisplatin induced emesis in the pigeon; behavioral and neurochemical correlates

**Version:** 2  **Date:** 23 September 2014

**Reviewer:** Muhammad Zia-Ul-Haq

**Reviewer’s report:**

Dear Sir

The authors have improved manuscript to a great extent and I recommend its publication in journal. Authors however are advised to cite a recent relevant paper Zia-Ul-Haq M, Shahid SA, Muhammed S, Qayum M, Khan I, Ahmad S: Antimalarial, antiemetic and antidiabetic potential of Grewia aslatica L. leaves. J Medicinal Plant Res 2012, 6: 3213-3216.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I do not have any competing interest with authors.
