Reviewer’s report

Title: The Anti-Alergic Activity of Cymbopogon citratus is Mediated Via Inhibition of Nuclear Factor Kappa B (NF-kappaB) Activation

Version: 2 Date: 30 December 2014

Reviewer: Richa Shri

Reviewer’s report:

Minor Essential Revisions

I have the following queries:
The authors report working with a crude plant extract
Q: Has the bioactive extract been evaluated phytochemically?
Q: Has the extract been standardized?

If the authors have the data it should be incorporated in the section preparation of extract

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
