Reviewer’s report

Title: Neuroprotective effect of Tagara-an ayurvedic drug against oxidative stress induced by methyl mercury toxicity in rat brain mitochondrial enriched fractions

Version: 5 Date: 10 June 2015

Reviewer: Jeferson Franco

Reviewer’s report:

Authors should at least cite the papers in which they copied the material and methods and some parts of the main text.

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

No conflict of interest

However, authors should at least cite the papers in which they copied several parts along material and methods and main text.
