Reviewer's report

Title: Pharmacological basis for use of Murraya paniculata in management of gastrointestinal, respiratory and cardiovascular disorders

Version: 2 Date: 10 July 2015

Reviewer: Mahin Dianat

Reviewer's report:

Dear Editor,

1- Title is not indicative purposes.
2- There is a basic and fundamental problem in methods section: The number of animals is not the same in different groups, and also the number of animals in some groups is low.
3- Rabbits breed (Race) is unknown.
4- Minor revision needed.

Sincerely

Dr. Mahin Dianat
