**Title:** Effects of Greenselect Phytosome® on weight maintenance after weight loss in obese women: a randomized placebo-controlled study

**Version:** 1  **Date:** 09 May 2016

**Reviewer:** Santiago Navas-Carretero

**Reviewer's report:**

Thank you to the authors for the effort on addressing all the issues I raised. I consider that the manuscript is almost ready for publication, although I would recommend the text to be revised by a native english-speaking person, in order to correct minimal grammar and spelling errors. Otherwise, the results are now much better presented and the manuscript and its conclusions are now more easily read.
