Reviewer’s report

Title: Protective effects of methanolic extract of Juglans regia L. leaf on streptozotocin-induced diabetic peripheral neuropathy in rats

Version: 0 Date: 10 Aug 2017

Reviewer: Hemant Devidas Une

Reviewer's report:

The manuscript "Protective effects of Juglans regia L. leaf extract on streptozotocin-induced diabetic neuropathy" by Davood Nasiry et al., is well written with good scientific data.

The manuscript can be considered for publication after following corrections,

1. Grammatical correction for 'increasion of polyol…' page no. 5 line 45.
2. Grammatical correction for 'laboratory used and care' page no. 8 line 45.
3. Omit the repetition of sentences on page no. 8 line 33-39 and line 48-54.
4. Need to write number of animals used for the study and statistical test used, below the observation table and figure.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
