Reviewer’s report

Title: Pharmacological potential of Bidens pilosa L. and determination of bioactive compounds using UHPLC-QqQ-MS/MS and GC/MS

Version: 0 Date: 26 Oct 2017

Reviewer: Shruti Shukla

Reviewer’s report:

The manuscript is written in good scientific language with proper results analysis and discussions. Find few minor suggestions for the improvement of the manuscript before its publication in the renowned journal "BMC Complementary and Alternative Medicine".

1. Page 9; Line 202-203: Authors can explain in brief the method obtained.

2. Did authors obtained any derivatization steps during pre-treatment of samples before its analysis.

3. Authors did not marked any significant results (*) in the tables and figures. If possible please include.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
