Reviewer's report

Title: Inhibition of autophagy enhances synergistic effects of Salidroside and anti-tumor agents against colorectal cancer

Version: 0 Date: 17 Aug 2017

Reviewer: Ranabir Sahu

Reviewer's report:

The manuscript entitled "Salidroside-induced autophagy via AMPK signaling impairs its synergistic effects with anti-tumor agents against colorectal cancer" is well demonstrated research work of colorectal cancer. Experiments were well described with figures. Discussion part is also well described. Figure 1 F not mentioned in figure legend. I suggest to confer the conclusion with a schematic representation. After that, work may be accepted for publication.

**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

Yes

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

Yes

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable
**Declaration of competing interests**

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

'I declare that I have no competing interests'.
