Reviewer’s report

Title: Sheng-ji Hua-yu Formula Promotes Diabetic Wound Healing of Re-epithelization via Activin/Follistatin Regulation

Version: 0 Date: 27 Sep 2017

Reviewer: Arul Amuthan

Reviewer's report:

English grammar mistakes are seen. This could be corrected during copyediting by publishers.

Under materials and methods, there is no mentioning about total groups and number of animals in each group?

The LC/MS figure (page - 22) is showing many number of peaks (phytochemicals). This TCM drug contains 6 herbals along with two other inorganic ingredients. The beneficial effect of this ointment is due to the combined synergistic activity of all 6 herbals. In order to identify all the phytocompounds, GCMS may be additionally performed.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

No

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
