Reviewer’s report

Title: Multi-targeting chemoprevention of Chinese herb formula Yanghe Huayan Decoction on experimentally induced mammary tumorigenesis

Version: 2 Date: 24 Jul 2018

Reviewer: Nitesh Kumar

Reviewer's report:

Article is well written and provided with good amount of supporting data. A few mistakes I could find out, which may be rectified:

Page 11: Why italics is used for one sentence under the subheading "Ingenuity Pathway Analysis (IPA) identified biological functions of the chemical constituents in YHHY Decoction"

Page number 15: Plant name should have first letter capital

Legends for tables are missing

Table 3. Explain A, B, C, D in table 3(B)

Fig. 1: Red line is missing in index

Fig. 2 & 4: Scale or magnification need to be mentioned in figure

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
