Reviewer’s report

Title: Anti-trichomonad activities of different compounds from foods, marine products, and medicinal plants: a review

Version: 0 Date: 26 Feb 2020

Reviewer: Arun K. Yadav

Reviewer's report:

Please consider revising the article title something like below:
Anti-trichomonad potentials of different compounds from foods, marine products and medicinal plants: a review

Reviewed information is interesting, but it would be nice if some of the data regarding different compounds, source, remarks about its efficacy, related literature, etc. can also be presented in Table forms.

Quality of written English
Please indicate the quality of language in the manuscript:

Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
