Reviewer’s report

Title: A proposed core curriculum for dental English education in Japan

Version: 3 Date: 29 July 2014

Reviewer: naichia teng

Reviewer’s report:

Discretionary Revisions:
There were "Undergraduate dental English education in Japanese dental schools." published in 2013 may. I hope to see some more analysis data of the effectiveness of the English education in Japan.

If there are any practical evaluation method to know the English education curriculum do work for Japanese dental student.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
