Reviewer's report

Title: 'Simulation-based learning in Psychiatry for undergraduates at the University of Zimbabwe medical school'

Version: 2 Date: 5 May 2014

Reviewer: John A Sokolowski

Reviewer's report:

This paper is well-written and clearly communicates the study's results. It is publishable as written.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests.
